

KAIMUKI.

This tract of most desirable Suburban property now being opened up with residence sites, lies about three miles from this city, in a northeasterly direction.

It has an elevation of over 200 feet above sea level, commanding a magnificent view of the Ocean, Koko Head, Manoa and Palolo Valleys, with the City of Honolulu, Ewa and Oahu Plantations, and Pearl Lochs, at its feet. It is entirely removed from all planting of rice or taro, thereby obviating the possibilities of ague and fever. Twelve broad streets give access to the property, and are crossed by six avenues. Seven of these Boulevards are now opened up, the balance in course of construction.

From its position it is entirely removed from the high winds and heavy showers of Manoa and Nuuanu Valleys, guaranteeing from its soft ocean breezes a salubrious climate.

A pumping plant, in the course of installation, settles the question of water, which will be furnished to purchasers of property at Government rates; this flow of water being supplied from two 12-inch wells which under measurement discharge nearly 4,000,000 gallons in twenty-four hours.

These lots contain an area of 15,000 square feet each, and are of two sizes—100 x 150 and 75 x 200.

TERMS: \$450 per lot, \$50 additional for corners, spot cash, \$550 per lot, \$50 additional for corners—\$20 cash, and \$10 monthly installments per lot, no interest.

NATIVE FILIPINO NATURALIZED.

A Full-blooded Tagal Broom's an American citizen.

Tannton, (Mass), May 29.—Harry T. Phillips, a native Filipino, who is a prosperous restaurant keeper here, was today admitted to full citizenship in the United States by Judge Fox of the District Court. He was born in the town of Pasig and is a full blood Tagal.

Phillips came to the United States on a sailing vessel, and has since then lived in New York and this city. He made application about a year ago for citizenship, and before it came up for action a complicated question arose as to whether he was not an American by virtue of the Paris peace treaty. Since then the question has been submitted to Washington, and today Phillips appeared in court and forewore allegiance to Alfonso, King of Spain, and his papers were signed and delivered to him. He is thought to be the only Filipino in the country who enjoys citizenship rights.

MANAGER McSTOCKER.

Collector General Frank B. McStocker has been appointed manager of the new Olan plantation. J. F. Clay, deputy collector, will be bookkeeper of the plantation and Peter McRae formerly at Pahala, head lina. This gives the new plantation a working official force at the start that will be hard to beat. For executive ability and organization Mr. McStocker is without a peer in the islands. He will probably leave for Hilo next Tuesday.

The marine underwriters remembered Captain Whitney of the Ethna Thompson yesterday. For bringing the steamer safely into port after she had lost her propeller they presented him with a gold watch and chain, a diamond locket and a check for \$500. They also gave him a check for \$250 to divide among the men who assisted him. On the inside case of the watch was engraved: "From marine underwriters on S. S. Ethna Thompson to Captain B. B. Whitney in recognition of meritorious services, San Francisco, May, 1899." The presentation was made by J. B. Levison of the Fireman's fund, and Captain Whitney responded in a neat little speech.—S.
